OAK MOUNTAIN ACADEMY COMMUNITY PARTNERS

Oak Mountain Community Partners is a program designed to recognize the involvement of our closest supporters. Instead of coming to you multiple times throughout the course of a school year, we have packaged together some key sponsorship opportunities for a one time contribution. Choosing your level of participation at the beginning of the calendar year ensures that you receive full credit for supporting a host of events throughout the course of the entire year. As a partner, you will receive recognition in school communications and at sponsored events.
