

## Our Accepting Colleges and Universities...

Oak Mountain Academy prides itself in being a college-preparatory Academy. 100% of the graduating students in our school history have been accepted into colleges or universities across our nation and beyond. Around 90% of our Alumni, including 100% of the class of 2018, were accepted into their 'first choice' college or university. One of the ways our students achieve these goals is through the personalized approach to college placement offered to each Oak Mountain Academy student during the college admissions process.

The graduating class of 2018 received **over \$1.7 million in merit scholarships**, not including HOPE and Zell Miller. 100% were HOPE eligible & 55% Zell Miller Scholarship eligible. Over the past 5 years, OMA graduates have received more than \$7.8 million in scholarship offers with an average graduating class size of 12 students.

-Rev. Mr. Richard Flinn  
OMA Founder

### Our History...

Oak Mountain Academy was founded in 1962 by the Reverend Mr. Richard Flinn, a Presbyterian minister, in the basement of a local church. Reverend Flinn envisioned a school that would offer its students a challenging curriculum while adhering to strong moral values in a family-style setting. In 1968 the Academy had its first class of graduating seniors and in 1997 the school moved to its current location. Today, more than 200 students in three-year-old pre-kindergarten through twelfth grades attend school on the beautiful 88-acre campus in Carrollton, Georgia.

### Our AP Courses...

Oak Mountain Academy offers a number of Advanced Placement courses for our students each year. Beginning in the 10th grade, students rise to the challenge of these advanced courses. For students who score a 3 or higher on the National Advanced Placement Exam, college credit is earned. Our students consistently earn AP Scholar, AP Scholar with Honors, and AP Scholar with Distinction recognition.
