OAK MOUNTAIN ACADEMY COMMUNITY PARTNERS

The Community Partners is a group of dynamic and philanthropic businesses supporting Oak Mountain Academy's mission and vision. As a Community Partner, your business will receive brand exposure across all significant OMA events, including parent programming, reaching a broad audience of hundreds of attendees. This exposure will enhance your brand's visibility and demonstrate your commitment to the local community. More importantly, your support will positively impact the lives of our students as they pursue excellence and develop into servant leaders of tomorrow.

Your commitment now, before the beginning of our 2023-2024 academic year, ensures that you benefit fully from the program and **reduces multiple solicitation requests to only one.**
