*Oak Mountain Academy provides a challenging college-preparatory education in a safe family environment. The school nurtures the ethical, spiritual, and physical development of students as they become confident leaders inspired to serve.*

Dear Oak Mountain Academy Supporters,

**You, our esteemed Oak Mountain Academy Supporters, are not just donors but integral partners in our institution's rich culture and successes.** Your support ensures we provide a quality, college-preparatory education in a safe environment where sound learning combines ethical, spiritual, and physical development.

As a non-profit, tuition-driven institution, we rely heavily on the generosity of supporters like you. We must raise 15% of our annual funds from sponsorships, grants, and donations. By raising these funds annually, Oak Mountain Academy can:

- maintain the lowest possible tuition
- recruit exceptional faculty
- and create dynamic learning experiences for our students.

Today, I invite you to embark on a unique journey with Oak Mountain Academy as a sponsor of our highly anticipated signature event, **Fire + Ice**, formerly our Spring Gala. The gala's mission remains to raise significant funds, but the experience will be an immersion of your senses, a journey like no other. We want you to be part of this exciting new concept and continue our partnership by sponsoring **Fire + Ice**.

This comprehensive packet outlines the sponsorships, but many opportunities exist to customize and welcome the creation of your own unique sponsorship, too. Please remember that your donation will benefit a non-profit 501C3 tax-status organization, which is notable for tax purposes.

According to federal tax law, we are not permitted to determine the value of your gift for a charitable contribution deduction. Please consult your tax advisor for specific requirements for deductibility. An appraisal or other documentation may be required depending on the amount you intend to deduct.

Your sponsorship will ensure the success of the event and a vote of confidence in our mission. Thank you in advance for your consideration in helping to support Oak Mountain Academy.

Sincerely,

*Patrick J. Yuran*
